Selling has changed in recent years. The new generation of sales professionals builds relationships and makes a majority of their sales by telephone, email, and the use of technology. While, only a small percentage of sales are made in-person. Elevate BDG's *Selling Strategies for Today's Market* is designed to help participants exhibit the traits of **TODAY's** sales person: competence, poise, and honesty.

## 5 WAYS TECHNOLOGY HAS CHANGED THE SALES PROCESS

1. Ability to connect with buyers around the world
2. Data-backed sales process
3. Ability to research the buyers and the buyers ability to research other options.
4. On-to-go ability to sell
5. Ability to work with marketing to come up with most effective sales strategy

# What's in it for me?

## INCREASED EMPLOYEE RETENTION

Develop leaders within your company & develop the mindset that everyone is accountable for the company's success. This will not only keep your employees accountable, but also improves performance & office morale.
